Overview

Matt is an experienced litigator concentrating his practice in the defense of pharmaceutical manufacturers in complex product liability matters. He has been a member of numerous discovery and trial teams in state and federal courts across the country, including in mass tort and multi-district proceedings. Matt has an in-depth focus on assisting clients with the identification and preparation of expert witnesses across a variety of disciplines, and has developed a broad network of medical and regulatory experts. Matt has also spearheaded successful challenges to the admissibility of plaintiff expert testimony concerning causation and warning issues, resulting in litigation-ending decisions on behalf of his clients.

In addition to his work in pharmaceutical litigation, Matt also has extensive experience defending professional liability litigation on behalf of a wide variety of healthcare providers, including physicians, nurses, and mental healthcare providers.
