Due to the coronavirus (COVID-19) pandemic, these are challenging times. Together, we will overcome this challenge with compassion for one another, careful planning, strategy, and cohesive execution.

Peabody & Arnold and our lawyers continue to provide uninterrupted service to our clients during this turbulent time. While the firm continues to comply with guidelines from the Centers for Disease Control (CDC) and the federal, state and local governments, we have all the necessary systems in place to operate seamlessly and ensure we meet all our clients' legal needs.

We have an established team of employment attorneys who are counseling employers across various industries and disciplines on the unique challenges they face with this pandemic. As our website reflects, we are working to provide our clients with timely guidance as this situation evolves. We encourage you to visit our [website](#) regularly for new content, or to reach out to our COVID-19 Task Force led by Kiley Belliveau and Rebecca Wilson. Please contact them at any time as we navigate through this crisis together.

We are here for all of our clients. Please do not hesitate to reach out if we can be of any assistance to you. We wish you good health today and in the days that follow.
