

Matt Griffin Appointed Chair of the ABA Pharmaceutical, Medical Device and Bioscience Committee

Partners

Matthew J. Griffin

By Peabody & Arnold on September 11, 2023

Peabody & Arnold Partner Matt Griffin has been appointed Chair of the American Bar Association's Pharmaceutical, Medical Device and Bioscience Committee for the 2023-2024 committee year. The committee is part of the ABA's Tort Trial & Insurance Practice Section (TIPS) and strives to educate its members on legal issues relating to the life sciences including regulatory developments and emerging trends in pharmaceutical and medical device litigation. More information on the ABA TIPS Pharmaceutical, Medical Device and Bioscience Committee and a link to join the committee can be found [here](#).
